

*The Lauren Kiefer Memorial Foundation, Inc.*

*11<sup>TH</sup> ANNUAL  
Remembering Lauren 5K Run/Walk*

Dear Friends and Supporters:

On December 25, 2006, an outstanding young woman and inspirational member of our Community was taken from us. Upon returning to her home after celebrating Christmas with her family, Lauren Kiefer was murdered at just 24 years old. To honor the precious life that was lost, and to remember this beautiful woman, Lauren, the Remembering Lauren 5K Run/Walk committee is proudly holding the 11<sup>h</sup>.Annual LM5K on Saturday, June 17, 2017. After a heartwarming and successful event in 2016, the funds raised have been donated to a scholarship fund for Willowbrook High School Seniors, Lurie's Children Hospital, St. Jude Children's Research Hospital, York Center Food Pantry, and to local families in need.

Your donations in past years have been greatly appreciated. Please help us celebrate the 11<sup>th</sup> anniversary of keeping Lauren's spirit alive and continue to support our worthy causes. Just as the last ten years, the committee is making great strides to

secure several sponsorships, and raffle prizes. Because you are an important member of the local business community, we ask you to consider making a donation to this remarkable event. Thank you for your time and consideration. Enclosed please find a donor form.

Sincerely,

The Remembering Lauren 5K Committee
